Stereo audio cable

1,5 m

SWA5510

Create a superior listening experience

with this stereo audio cable

This high performance cable offers a superior connection for transferring audio signals between components.

Enjoy better audio quality

- 24 carat gold-plated connectors optimize signal
- 4-Cut connectors for secure connections

Protects against signal loss

- 100% aluminum shielding
- Copper braided shielding

Easy installation

- Color coded connectors for instant recognition
- Non-slip ergonomic grip for easy use
- Plug and play for easy use

Enjoy extended durability

- Protective metal shell for extended durability
- Flexible PVC jacket
- Rubber strain relief
- Stranded conductor extends durability

Product highlights

24 carat gold-plated connector

24 carat gold-plated connectors ensure the best signal quality for your components.

4-Cut connectors

4-Cut connectors ensure secure connections between your component and your cable.

100% aluminum shielding

This protective layer of aluminum guards against electromagnetic interference for improved signal quality.

Copper braided shielding

This protective layer of copper blocks radio frequency interference for improved signal quality.

Color-coded connectors

Color coded connections make it easy to install your cable into the correct inputs and outputs

Easy grip

This non-slip grip makes connecting your components easy and ergonomically comfortable.

Plug and play

Plug and play offers easy installation of components without time-consuming installations.

Metal shell

The metal shell protects the internal connection of the cable. It ensures durability and the reliability of your connection.

Flexible PVC Jacket

Flexible PVC jacket provided protection to the delicate core of the cable. It also offers extended durability and ease of installation.

Rubber strain relief

Rubber strain relief provides a secure, yet flexible juncture between the cable and the plug.

Stranded conductor

The stranded wire evenly distributes stress so no single area is overburdened. It provides more flexibility for easier positioning.
